I find it ridiculous that the trash trucks are still coming at 6am waking up the neighbors. Seems like they really don't care at all.

Hi Nate,

I left you messages and have not heard back. Are you able to get inspectors to give more orders to comply. Any word on how much longer the determination will take? When Lourdes is done with the determination what is the next procedure. Sent to us and the school at the same time?

Who will be Bonin's field deputy? You? We are still getting woken up at 6 am from the trash trucks and daily they are out of compliance. What do you suggest??

Thanks,  
Rebecca
